

The Fremont County Board of Supervisors met in regular session on Wednesday, May 7, 2025, in the Fremont County Courthouse Boardroom, with Clint Blackburn, Dustin Sheldon, and Jeff Shearer present. A quorum was declared, and the meeting was officially called to order at 9:00 a.m. The agenda was approved as posted. Minutes of the previous board session were read and approved.

Let the record show that Assistant Engineer Robbie Kromminga, Jared Noak, Mandy Whipple, Connor Nuss, and Nick McCann were present at this meeting.

Assistant Engineer Robbie Kromminga met with the board for the following:

Assistant Engineer Kromminga stated it is his understanding this is to avoid two-way traffic on the gravel roads. He presented a map to the board. As stated last week, this is within the scope of the road use agreement. Shearer questioned the compliance of the "no construction traffic" sign. Connor Nuss with Mortenson Construction stated that he is continuing to push that message to the drivers. Supervisor Shearer said he had driven 10 miles on the gravel roads after a meeting and said the trucks were not going excessively fast, but there was no dust control. Jared Noak with MidAmerica said they would be putting magnesium chloride on 4-way intersections and in front of homes on June 9<sup>th</sup> and they will continue to spot treat with the water trucks. Shearer stated he still thinks there are turbines too close to homes. Noak said they are here for the road use agreement item and they are following the rules from the county ordinance. Motion by Sheldon to sign the revisions of the Road Use Agreement between MidAmerican Energy and Fremont County. Motion carried unanimously.

Supervisor Shearer asked Noak who he should talk to about his concerns from his constituents. He said he wants an individual meeting with them. Noak gave him that information.

Motion by Shearer to sign an application for approval of underground construction for Steve Johansen DBA Johansen Drainage and Tile. Motion carried unanimously.

Motion by Sheldon to allow Chairman Blackburn to sign 2024 Certification of Cost Allocation Report from Cost Advisory Services, Inc. Motion carried unanimously.

The board discussed a credit card for the new sanitarian. The previous sanitarian had one for postage, water tests, training, and motel costs. Motion by Shearer to approve a credit card with a limit of \$1,000 not to be used for meals and with the requirement that if the limit needs to be raised it will require board approval. Motion carried unanimously.

In other business, the Recorder's Monthly Report for April was approved.

Claims were approved for May 9, 2025.

At 9:12 a.m., with no further business, Sheldon motioned to adjourn. The motion carried unanimously.

ATTEST:

Dee Owen, Auditor

Clint Blackburn, Chairman

At 8:30 a.m. on Wednesday, May 14, 2025, a Department Head meeting was held in the Fremont County Courthouse Boardroom. Present were Scott Evans, Dan Davis, Vicki Kirkpatrick, Clayton Long, Mark Stockstell, Clint Blackburn, Jeff Shearer, Dustin Sheldon, Dee Owen, and Zach Benedict. Topics discussed: veteran's affairs update, update on bridges, road projects, disaster proclamation effects on assessor, and software support.

The Fremont County Board of Supervisors met in regular session on Wednesday, May 14, 2025, in the Fremont County Courthouse Boardroom, with Clint Blackburn, Dustin Sheldon, and Jeff Shearer present. A quorum was declared, and the meeting was officially called to order at 9:00 a.m. The agenda was approved as posted. Minutes of the previous board session were read and approved.

Let the record show that Engineer Dan Davis, Assessor Vicki Kirkpatrick, Attorney Peter Johnson, EMC Clayton Long, and Sherrie Brink were present at this meeting.

Engineer Dan Davis met with the board for the following:

Engineer Davis stated that two people thought they had all their wellness paperwork submitted. They did what they were supposed to do. They got confirmation that their required faxed sheet was received. They found out later they were using an old fax form. EMC/Safety Coordinator Long said when this was all going on they made contact with ISAC and Mercy One. They gave them a deadline to get the form in. They still were not given credit. There was no notification that the forms weren't received, so they had no way to know they weren't received. Motion by Sheldon to not deduct the fee from the two employees at the Secondary Road Department. Motion carried unanimously.

Motion by Shearer to allow Chairman Blackburn to sign an application for approval of underground construction in ROW for MidAmerican Energy to install a push pole to remove a down guy blocking a driveway on 250th Street, 3.3 miles from Riverton. Motion carried unanimously.

Motion by Sheldon to allow Chairman Blackburn to sign the ICAP Insurance Renewal Paperwork. Motion carried unanimously.

Motion by Shearer to table setting the levy rates for board-controlled drainage districts. Motion carried unanimously.

County Attorney Peter Johnson met with the board regarding the following:

Attorney Johnson discussed coming up with a public records request policy. He stated he would work on examples and asked if anyone had input. There was no input given.

Attorney Johnson also requested that the board set a date for an auction for surplus property. He would like the board to set the date for May 28, 2025, which would give them the necessary time. The sheriff will conduct the auction. Several other properties will need to be auctioned in the future. Motion by Shearer to set the auction date for May 28, 2025, at 10:30 a.m. Motion carried unanimously.

At 9:20 a.m., John Walter joined the meeting.

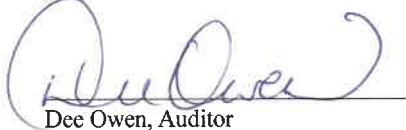

During public comment, Sherrie Brink stated that she wasn't sure if the 250<sup>th</sup> Street east of US Highway 59 was part of MidAmerican's route. She said they are blowing by on that dirt road and over the hill. The board told her to follow up with the project manager, Connor Nuss.

Claims were approved for May 16, 2025.

At 9:27 a.m., with no further business, Sheldon motioned to adjourn. The motion carried unanimously.

John Walter stopped in to visit the board after the meeting regarding Schultz Drainage Ditch. The board said they will hold a meeting for Schultz Drainage Ditch to discuss things further.

ATTEST:

Dee Owen, Auditor

Clint Blackburn, Chairman

The Fremont County Board of Supervisors met in regular session on Wednesday, May 21, 2025, in the Fremont County Courthouse Boardroom, with Clint Blackburn, Dustin Sheldon, and Jeff Shearer present. A quorum was declared, and the meeting was officially called to order at 9:00 a.m. The agenda was approved as posted. Minutes of the previous board session were read and approved.

Let the record show that Engineer Dan Davis, Attorney Peter Johnson, Treasurer Alise Snyder, EMC Clayton Long, Assistant Auditor Cassie Gilbert, Ethan Hewitt with KMA, Theresa Herrs, and Dana Herrs were present at this meeting.

Engineer Dan Davis met with the board for the signing of the following:

Motion by Sheldon to allow Chairman Blackburn to sign IDOT payment voucher with HGM Associates for engineering services for J18 bridge for BRS-CO36(92) - - 60-36 per agreement through April 30, 2025. Motion carried unanimously.

Motion by Shearer to approve renewal of a Special Class B Retail Native Wine License for the Southern Loess Hills Welcome Center. Motion carried unanimously.

Assistant Auditor Cassie Gilbert presented the board with the levy information on the board-controlled drainage districts. The board reviewed the information. Motion by Sheldon for 25% levy for Schultz Ditch Drainage District. Motion carried unanimously. Motion by Sheldon 0% levy for Scott Township Drainage District. Motion carried unanimously. Motion by Shearer for 0% levy for Prairie Township Relevy. Motion carried unanimously. Motion by Sheldon for 0% levy for Kilpatrick Ditch. Motion carried unanimously. Gilbert stated that they would reach out to Page County to schedule a meeting for Johnson Run Drainage District.

Dana and Theresa Herrs met with the board to discuss zoning issues at a property they purchased in Bartlett. Mr. Herrs said they planned to live in their camper for a couple of years until they could buy land and build a house. They received a permit to dig the well. They got to the point where they needed a septic permit. There was a gap between the former sanitarian and the new one. The person who was going to do the septic work went to get the permit and said they couldn't get the permit because they would be living in the camper. Herrs called Zoning Administrator Dan Davis, and he sent them a copy of the ordinance. Davis's interpretation of the ordinance from 1969 was that it meant a permanent structure that couldn't be moved. Mr. Herrs stated that there are already people living in the area in campers and also at Bartlett Shores, with all campers. Davis said that Bartlett Shores went through the platting process, allowing them to have RVs. Theresa said they are trying to do things the correct way. They have gone through the platting process with permits and a survey. Auditor Owen asked if any kind of exception to the ordinance could be given. Attorney Johnson asked Davis if they could grant a variance. Davis said the Fremont County Board of Adjustment could consider that. Sheldon questioned if there could be a time limit. Davis said the Board of Adjustment could consider granting a variance and work out the details. Sheldon said he didn't see a problem granting a variance. Davis said it would take some time to publish and go to the board for a hearing. Blackburn stated, like Sheldon, he wouldn't have a problem with it. Shearer asked why it got stopped in the first place if there was no ordinance prohibiting a septic on land with no house. Davis explained said they had people changing jobs and no one told them to speak to Davis. The board told them they appreciated them doing things the right way. Davis will give them the application for a variance and get the process started as quickly as he can.

Treasurer Alise Snyder met with the board regarding stamped warrant interest. She stated that Cara Morgan worked to get Mule Slough/West Benton about \$1.1 million in reimbursement funds from FEMA and the state for the 2019 flood. Those funds can only be used for actual costs and cannot be used for interest. The interest must be paid. Treasurer Snyder said that we have gained around \$200,000 in interest from previously held stamped warrants, so it would be somewhat of a wash at this point. Treasurer Snyder and Auditor Owen stated that it was a good investment with 5% interest. Motion by Shearer to purchase stamped warrants to pay interest for the Mule Slough/West Benton Drainage District. Blackburn, aye. Shearer, aye. Sheldon, abstain.

Motion by Sheldon to table public records request policy until next week at the request of Attorney Johnson. Motion carried unanimously.

In other business, the Sheriff's Monthly Report for April was approved.

Claims were approved for May 23, 2025.

At 9:56 a.m., with no further business, Shearer motioned to adjourn. The motion carried unanimously.

ATTEST:

  
Dee Owen, Auditor

The Fremont County Board of Supervisors met in regular session on Wednesday, May 28, 2025, in the Fremont County Courthouse Boardroom, with Clint Blackburn, Dustin Sheldon, and Jeff Shearer present. A quorum was declared, and the meeting was officially called to order at 9:00 a.m. The agenda was approved as posted. Minutes of the previous board session were read and approved.

Let the record show that Attorney Peter Johnson and Assistant Auditor Cassie Gilbert were present at this meeting.

At 9:00 a.m., the Page County Board of Supervisors phoned the boardroom to discuss the Johnson Run Drainage District levy for 2025/2026. Present in the boardroom were Chairman Blackburn, Vice Chairman Sheldon, Supervisor Shearer, Auditor Owen, Cassie Gilbert, Attorney Johnson. Present by telephone were Page County Auditor Kristin Wagoner, Supervisor Judy Clark and Supervisor Todd Maher with Page County Board of Supervisors. They discussed that there are no current or anticipated projects and the fund balance is \$66,934.97. Sheldon made a motion for no levy for Johnson Run Drainage Ditch. Clark seconded. Blackburn, aye; Sheldon, aye; Shearer, aye; Clark; aye; Maher, aye.

Motion by Shearer to approve Resolution No. 2025-27 Resolution Abating Taxes on Land Owned by the Iowa Department of Natural Resources. Motion carried unanimously. RESOLUTION NO. 2025-27

**RESOLUTION ABATING TAXES ON LAND OWNED BY THE IOWA DEPARTMENT OF NATURAL RESOURCES**

WHEREAS, the Iowa Department of Natural Resources now owns certain property in Section 33, Township 68, Range 42 in Fremont County, Iowa, Parcel No. 310310137010000, 310310139010000, and 310310140010000, described as: IRR TRS NE1/4 NW1/4, TRS W1/2 NW1/4, and IRR TRS SE1/4 NW1/4, in Section 33, Township 68, Range 42 in Fremont County, Iowa, according to the recorded plat thereof.

WHEREAS, the property is now owned by the Iowa Department of Natural Resources and therefore should not be on the tax rolls according to Section 427.1(2), Code of Iowa,

IT IS HEREBY RESOLVED that the above-described property shall be listed as exempt on the tax list of the Fremont County Auditor. Further, all current and delinquent real property taxes are abated under Iowa Code Section 445.63.

BE IT FURTHER resolved that the Auditor and Treasurer shall enter such change orders required to abate these taxes.

Dated this 28th day of May, 2025.

Motion by Shearer and carried unanimously.
