

Fremont County Secondary Road Department

The Fremont County Iowa Board of Supervisors is now accepting resumes for County Engineer. Applicants must have an Iowa Professional Engineering License in Civil Engineering. Fremont County, population 6520, is in the very southwest corner of Iowa. Sidney is the county seat. The county is led by a 3-person board of supervisors. The engineering department has approximately 28 employees. The engineer plans, coordinates, assigns and supervises all engineering and construction work performed by the county secondary roads department and independent contractors. In addition, the Engineer will prepare and let contract documents for projects, present an annual budget and a five-year construction program identifying future road improvement projects, and work with union representatives on employment matters. The ability to establish and maintain an effective working relationship with department personnel, other government agencies, other county departments, contractors and the public is essential. Previous county engineering experience is preferred. Salary based on experience and qualifications. Resumes may be sent to: Fremont County Board of Supervisors, P.O. Box 610, Sidney, Iowa 51652. Resumes will be accepted until the position is filled.
